

INSTRUCTIONS

AVO-2T-BEO7 OUTPUT MODULE

S.N.:

### WARRANTY

Avtech Electrosystems Ltd. warrants products of its manufacture to be free from defects in material and workmanship under conditions of normal use. If, within one year after delivery to the original owner, and after prepaid return by the original owner, this Avtech product is found to be defective, Avtech shall at its option repair or replace said defective item. This warranty does not apply to units which have been disassembled, modified or subjected to conditions exceeding the applicable specifications or ratings. This warranty is the extent of the obligation assumed by Avtech with respect to this product and no other warranty or guarantee is either expressed or implied.

DESCRIPTION

The AVO-2T-BEO7 is intended for use with Avtech AVO-2-C-BEO3-R5-P-OP1-M pulse generator mainframes, as shown below:

PINOUT

### OTHER NOTES

The AVO-2T-BEO7 is similar to the AVO-2T-BEO6, except that the AVO-2T-BEO6 has an internal attenuator that limits the maximum output current to 0.7A. The AVO-2T-BEO7 can supply up to 2.0A.

ORIGINAL QUOTATION

Mon 12/9/2002 9:53 AM  
 To: Ron Fourier  
 Beacon Electro-Optics Ltd.  
 rfourier@netvision.net.il

Ron,

We have received your purchase order P30180812. Thank you for your order. However, as noted previously, changes in technical specifications require changes in the part number. We will require a revised purchase order.

I am pleased to quote as follows for the modified output module:

Quote number: 11327

Model number: AV0-2T-BE07 output module.

Description: as per the previously-supplied AV0-2T-BE06 (see quote #11062, May 30/02), but with the internal attenuators removed. A setting of 2 Amps on the mainframe will result in an output amplitude of approximately 2 Amps.

Note: This does not include any coaxial cable.

Price, Ex-works Ottawa, Canada: \$598 US

Price, CIF Israel (via FedEx): \$668 US

Delivery: 5 weeks after receipt of revised purchased order. We are unable to offer 2-3 week delivery, due to the holiday season.

Regards,  
 Dr. Michael J. Chudobiak  
 VP, New Product Development
