

### R3A RACK MOUNTING INSTRUCTIONS

- 1) On each side of the AV-1023-C, remove the cover plate near the front handle (See Fig. A).
- 2) Screw the -R5 L-shaped brackets to the AV-1023-C chassis using the 4 Phillips screws.
- 3) Remove the lower cover plate on the R3A assembly (See Fig. B).
- 4) Insert the AV-1023-C chassis in the opening in the R3A assembly and screw the R5 wings to the R3A assemble using 4 Phillips screws.
- 5) Re-install the lower cover plate.
